# WISE BAPTIST NEWS

A PUBLICATION FOR MEMBERS AND FRIENDS OF  
 WISE BAPTIST CHURCH

November 15, 2022

*A place for faith and fellowship with family and friends.*

*Dear Church Family and Friends,*

Something is terribly broken about the human race. It is pride. Pride prevents you from learning things vital to the human race.

For example, in 1857 a British expedition attempted to find the source of the Nile River in Africa. Many had tried and failed in the past. A big reason was the lack of an accurate map.

This resulted in the loss of many lives to armed attacks, disease and starvation.

The solution was so simple. Gather information about the area from people who travelled or lived there! Many lives would have been spared.

Why didn't they do that? Pride. They thought they could figure it out on their own. They did not need (or want) help.

Pride can cost you and our world, big time. What do we need to learn from each other?

“Pride goes before destruction...” (Prov. 16:18)

*Love, Pastor Mike*
