WISE BAPTIST NEWS

A PUBLICATION FOR MEMBERS AND FRIENDS OF
 WISE BAPTIST CHURCH

October 11, 2022

A place for faith and fellowship with family and friends.

Dear Church Family and Friends,

Ever get advice and ignore it? Then, you decide they were right? Maybe you thought it would be “different” for you. It might be that you learn more through experience.

One of the wisest people ever, Solomon, learned important life lessons through experience. His life was empty. Meaningless. He wanted to discover what life was really about.

So, he launched into a great experiment. He did not take someone else’s word for it. He fully experienced every option, himself. Plus, he had the time and resources to do it.

Pleasure? He had a huge harem. Wealth? Had riches beyond compare. Success? He built great monuments and buildings. Power? He was a great king. Wisdom? He was one of the smartest men ever.

The results were in! All the above efforts came up empty.

Solomon also learned... “Now all has been heard; here is the conclusion...fear God and keep His commandments.” (Ecclesiastes 12:13)

Love, Pastor Mike
